

Annual Community Meeting - 20 September 2022

7.00pm in the Village Hall

As residents, this is your opportunity to tell us what you would like to see happen in the future. This will be an informal occasion with light refreshments served.

The information from the community survey will be shared at the meeting but we are happy to listen to additional ideas and to answer questions (where we can). The main focus will be on working with residents to find solutions to the issues raised.

The meeting is also an ideal opportunity for residents to meet councillors and the parish clerk where you do not know us. Please come and join us.
